

Concordia Monthly May 2019

Dear Concordia Families,

Celebrate!

As we will host our Celebrate Success night later this month, I decided to focus on the word "Celebrate!"

In our lives, we take time to celebrate big events like an engagement, the birth of a child, and graduations. We also take time to celebrate holidays like Christmas, Easter, and birthdays.

In the classrooms, we celebrate student successes and the hard work they put in to make progress whether that is academic, social, or behaviorally.

In your home, how often do you celebrate? How do you celebrate?

Other questions to think about and discuss...

-What is the balance of celebrating to build confidence and "over celebrating" giving a false confidence in a child's accomplishments or striving to improve?

-In what areas do your family members need to be celebrated more?

-What is an out of the ordinary, yet simple way you could celebrate your child or family?

In Christ, Christine Malone, Principal

Good to Know!
