CONCORDIA LUTHERAN SCHOOL

**THANK YOU FOR GIVING BIG &
MAKING A DIFFERENCE!**

Facilities! \$7,176 — WE RAISED \$8,250.00

Priority 1: Doors! \$1006 We have recently discovered that we have two wooden exterior doors in our preschool wing that have started to rot from the inside out! Parent volunteers have graciously looked into bids for us and we have found that we can get them replaced for \$503 each! **WE MADE THIS GOAL!!**

Priority 2: Window! \$600 We have a window in one of our portable classrooms that needs to be replaced. It is a custom fit window and will cost \$300 to replace. If it breaks during installation, we would need to pay another \$300. Therefore, we are going to raise \$600 for the window. If only \$300 is needed, the remaining \$300 will go towards other facility needs! **WE MADE THIS GOAL!!**

Priority 3: Bathroom Redo! \$570 The boys upstairs bathroom is in need of new flooring, paint, and new lighting! We are able to do this for less than \$600 due to free labor by parent professional volunteers. **WE MADE THIS GOAL!!**

Priority 4: Blinds! \$2000 We have magnificently tall windows with blinds that need to be replaced in the preschool rooms. We were gifted one set during this school year and would love to improve more! **WE MADE THIS GOAL!!**

There are other improvements to be made! \$3000 A facilities committee was formed and they have a list with a small budget. They are working their wonders but to have a set amount towards facility improvements could make them go farther! **WE MADE THIS GOAL!!**

Technology! \$13,500 — WE RAISED \$8,750.00

Our teachers and students transitioned to remote learning efficiently and quickly when schools were closed due to Covid-19 this spring. The technology we typically use in the classroom as well as send home with students, was a part of this success. With an increase in enrollment, a need to keep 1:1 devices a reality for the possibility of remote learning and sanitation in school, we would need 26-30 devices. We are looking to buy 6 new devices at \$600 each, 10 new devices at about \$450 each, and 10 new devices at \$300 each for a total of \$13,500. **WE ARE CLOSE TO THIS GOAL AND STILL HAVE MONEY COMING IN!**

Hoffman Scholarship Fund! \$20,000 — WE RAISED \$22,433.00

Giving to this fund is giving to families. Giving to this fund is giving the opportunity for students and families to hear of Christ's grace. Giving to this fund is giving Concordia the opportunity to say "let's talk about finances" to a family that desperately wants a Christian education for their children or to a family that eagerly wants to be in a school where they know their child will not be overlooked but knows they can't afford it. Giving to this fund is giving towards sharing Christ with students and families that do not know Christ.

Our goal is to raise at least \$20,000 towards the Elmer Hoffman Scholarship Fund this year. **WE EXCEEDED THIS GOAL!!**

Thanks to all of our incredible supporters of Concordia we were able to raise a total of \$63,215.00 during our online auction and still have checks coming in or online donations being made! THANK YOU!!
