

Welcome to Concordia!

Whether you are new to the school or returning, we welcome you! Concordia has now started their 114th year of serving families and students in PreK-Elementary and Middle School. We are glad you are now a part of this legacy!

We have started this school year out very well! A huge thanks to all the parents for learning and following new guidelines and procedures! Another big thanks to our teachers for working hard at making the classrooms and each day a welcoming, caring, and safe place to learn! Finally, a thank you to our students who have adapted well to all the “new!”

In the next coming months, you will receive a monthly newsletter with a monthly calendar from the school. Some of the items will apply to the whole school and others will apply only to preschool or only to the elementary/middle school. We will make this clear for you. If you are ever wondering, feel free to contact Jordan at admin@concordiaseattle.com to ask your questions or call 206-525-7407.

One highlight this month is our Community Connector! During the pandemic, it is difficult to meet all the different students and families in your student’s teams and classes. So, our Community Connector this month is a “Concordia Collage.” The goal is to have video we can share among our community introducing families to each other. Create a 30-45 second video introducing your family and send it to clsteachers@concordiaseattle.com by Sept 30th. This is completely *voluntary*. If you are uncomfortable making the video or having the video published on YouTube (to only those with the link), you do not need to participate.

We also hope to have more updates on the happenings of the school on Facebook and Instagram. Find us on either one! www.concordiaseattle.com.

Welcome to the 2020-2021 school year at Concordia!

In Christ,
Christine Malone, M.S. - Principal

Sept 28-Oct 11 Scholastic Book Fair Online

We typically have our book fair in our hallways. This year we are taking it online! When parents purchase books, the school is given Scholastic dollars to purchase classroom books, supplies, and more! Stay tuned for more details on how to order!

Oct 20, Tuesday Picture Day

Big smiles for this day! If your child does not typically attend on Tuesdays, your child's teacher will let you know what time you may come in with them to have their picture taken as the day gets closer.

Elementary/Middle School (only)

Calendar Date Changes (Elementary/Middle School Only)

THIS FRIDAY- Sept 18th – FULL DAY of School (originally scheduled as a half day)

October 6 – SCHOOL (originally scheduled as off for Professional Development/Parent Teacher Conferences)

Sept 22, Tuesday 6:30 pm ONLINE Curriculum Night (Elementary/Middle School Only)

Join Mrs. Malone, teachers, and parents for a Curriculum Night on Zoom! Mrs. Malone will share news that pertains to all students and families and then you will be broken into different rooms to meet with your child's teacher. If you have students in more than one team, we strongly encourage both parents to attend on different devices so that we can send one parent to one room and the other to the other room. Please let Mrs. Malone know which parent you want to go to each room by 4 pm on Tuesday, Sept 22. Email her at cmalone@concordiaseattle.com.

Oct 7 Parent Teacher Conferences via Zoom No School (Elementary/Middle School Only)

The office staff will be sending out information soon on how to sign up for your parent teacher conferences on Wednesday, Oct 7. If you are not available for the times offered, contact your child's teacher to schedule a different time.
